

SPRING ENGINEERS OF HOUSTON, LTD • AN SEI METALTEK COMPANY

March 23, 2020

**SPRING ENGINEERS OF HOUSTON POSITION ON SCHEDULES,
DURING COVID-19 EMERGENCY**

Spring Engineers of Houston supplies significant volumes of product to the energy, transportation, aerospace, and defense industries. These sectors are deemed critical infrastructure by the U.S. Federal Government.

Spring Engineers of Houston continues with normal production and operations at this time, during the Corona Virus pandemic. To protect our team members, customers, and suppliers, we are implementing the CDC guidelines, to slow the spread of the disease. Unnecessary travel to & from Spring Engineers is discouraged until further notice.

At the present time our supply chains are unaffected. If any customers or suppliers have further questions, please contact us at 713-690-9488, or email sales@springhouston.com.

Best Regards

Patrick Barr
